News and Views: 2018–19 Season – 27 November 2018

This week saw the **Second Round of the Cup** competition. Seven of the eight matches were won by the teams that went second; the only team to buck this trend were the **Dolphin Dragons**.

There were lots of close games however: six of the eight were won by a margin of ten points or fewer, with one of 13 and one of 21. The closest game was at the **Church House Bollington**, where the home team won by two points.

Two B League teams (**Rushton Diamonds** and **Plough Horntails**) have gone through to the Cup quarter finals, and congratulations to the **Pack Horse Bowling Club** on being the last C League team left in this competition.

The Plate quarter finals will be contested by the eight teams that lost in the First Round of the Cup. There are three B League teams and five C League teams. There will be at least two C League teams in the Plate semi-finals.

In total, there are **five** A League teams, **five** B League teams and **six** C League teams remaining in this season's knockout competitions.

The quarter finals will be played on 22 January 2019. The questions will be set by the **Ox-fford** and **Waters Green Rams**. These two teams will provide three question masters each; the **Cock Inn** and the **Sutton Mutton** will provide one question master each. Four teams will have the night off.
